## THE YEAR IN REVIEW.

2021 was a year filled with challenges, triumphs, and many blessings. We are grateful for our clients who trust us to advocate for them, thankful for our great team of employees, and appreciative for the incredible communities in which we live and work.

I strongly believe in giving back to our community, and that the success of the law firm is meant to be shared with others. With gratitude this year we were able to give back with multiple large donations to nonprofit organizations that serve our local communities. Sargent Law Firm also provided 1,000s of hours in pro bono legal work this year. Helping our community, and serving others, will always be a driving force for me.

As we head into 2022, we are excited to continue our mission to help people who are injured in our communities. Starting January 1, 2022 we have a new office in Murrieta, CA, and are in the process of opening a new location in Boise, ID. We are also launching our client portal this month, which will give our clients instant access to the status of their case and team members 24/7. The client portal will be accessible online and through our mobile

app. The portal will assist us in keeping our clients updated at all times, and has the ability for clients to directly message our legal team. The client portal can also keep track of medical appointments, set appointment reminders, and give feedback to our Team as to how we are doing.

We look forward to a New Year, and the hope it brings. We wish you all a happy and safe New Years!

Kind Regards,

Ryan Sargent, Esq.  
Owner/CEO

## More Ways to Connect With Sargent Law Firm

New Years Holiday is one of the most dangerous times of the year to be on the road. We recommend you avoid driving as much as possible, always buckle up, and ALWAYS have a designated driver.
